Now Is Our Time

Leominster High School is a place that has truly left footprints in our hearts. As students who have attended this high school, it has given us long lasting memories that we can carry with us as we embark on our life's journey. This year has proven to be a mark of change for us, including our yearbook. We have held our first yearbook cover contest.

Our senior, Jorel Rippon, designed our cover while another senior, Tony Esposito, created our divider page. The yearbook staff, in choosing a theme for this year's yearbook, wanted to focus on the time we have spent at Leominster High School and with that said, the class of 2009 will make it known that "Now is Our Time!"

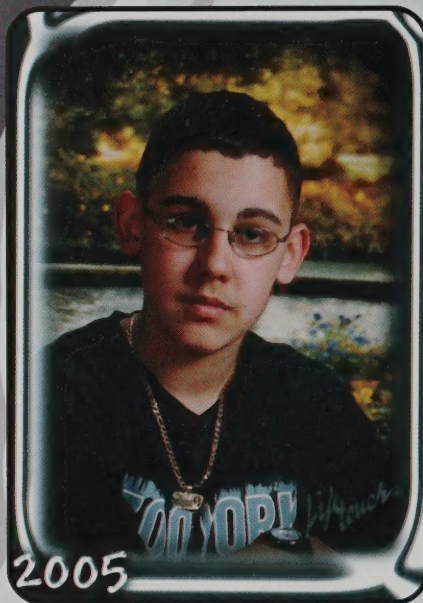

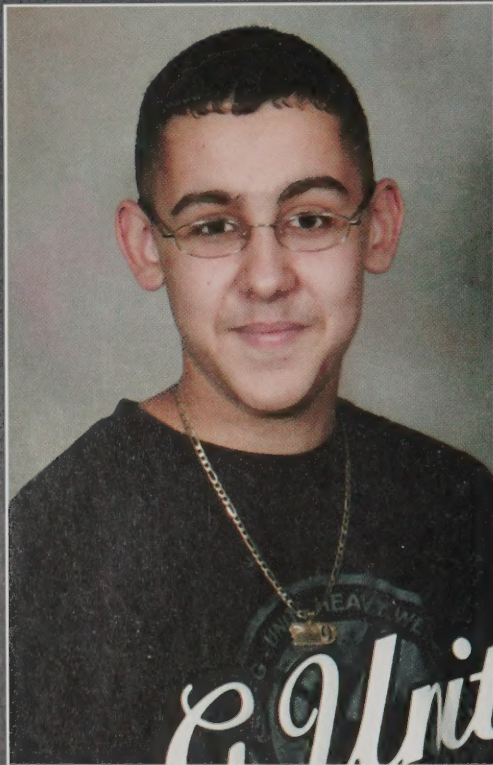

Jorel Rippon and Tony Esposito,
Yearbook Cover and Divider Page Winners.

I'm There Inside Your Heart

Right now I am in a different place,
And though we seem apart,
I'm closer than I ever was....
I'm there inside your heart.

I'm with you when you greet each day
And while the sun shines bright,
I'm there to share the sunsets too...
I'm with you every night.

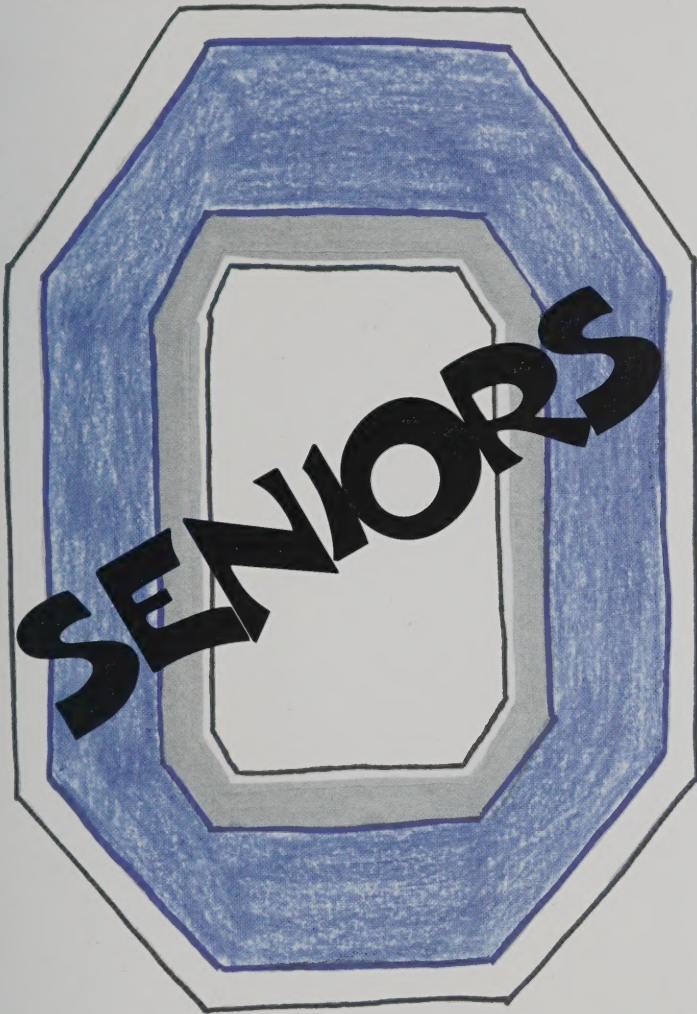

I'm with you when the times are good,
To share a laugh or two,
And if a tear should start to fall...
I'll still be there for you.

And when that day arrives
That we no longer are apart,
I'll smile and hold you close to me...
Forever in my heart.

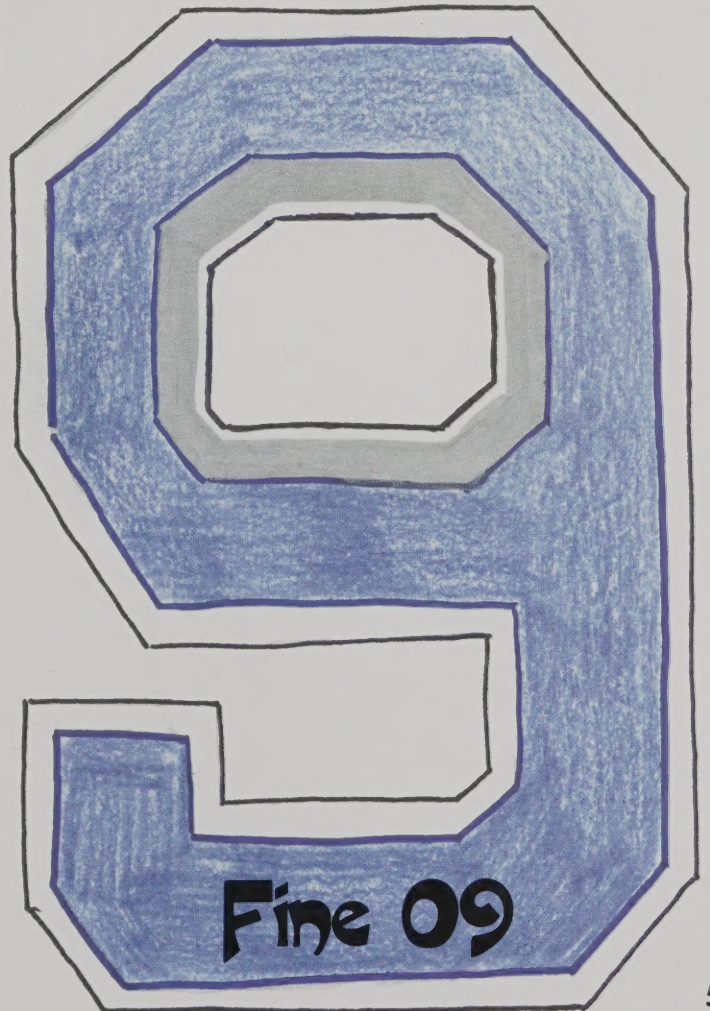

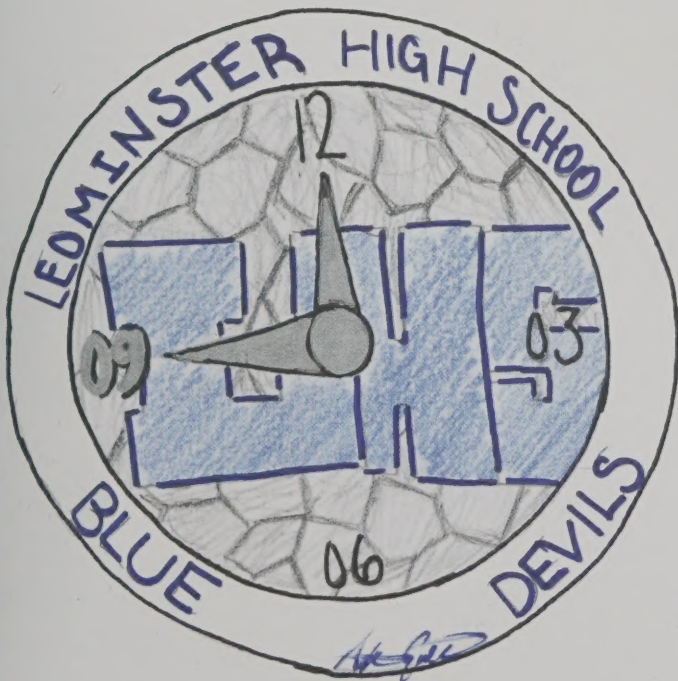

1991-2007

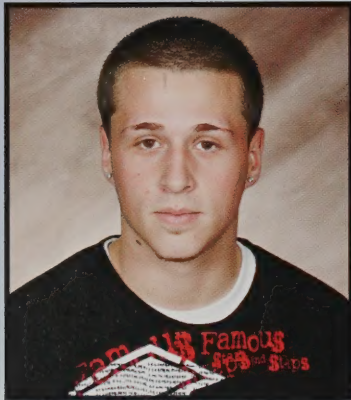

**Brandon we will always
remember you and we all miss
you! Rest In Peace.**

It seems like yesterday, we were meeting with your class officers for the first time. The room was so quiet and everyone was so shy. What shall we do? How can we bring your class together? A T-shirt! What a great idea. No, it can't be blue and it needs something inspiring printed on it. So it was decided: Well cross the line in 2009. Basketball games, cookie dough sales, and many fundraisers later, here we are today: a whole lot louder and a whole lot smarter. You have earned your blue T-shirt with Senior 09 across the back. It is with a tear in our hearts and a smile on our face that we anxiously wait for graduation day when you cross the line in 2009. We are so proud of you, of your accomplishments in high school and of the accomplishments yet to come. If we could reflect on one of the great literary sprits of your lives, Dr. Seuss Oh the places you'll go we hope you will reflect on L.H.S. from time to time and think of us with a smile on your face. Dr. Seuss put it so well Today you are You, that is truer than true. There is no one alive who is Younger than You..

Congratulations and Good luck. We have loved the time we have spent together.

Senior Class Officers

Congratulations Class of 2009,

Throughout the past four years at Leominster High School we have grown and matured together. Now, we are all ready to leave and go our separate ways to accomplish our goals. Together as a class we strived to be the best artistically, academically, athletically and musically. We have made positive contributions to our school and the community. As a class we made them proud of our talents and success.

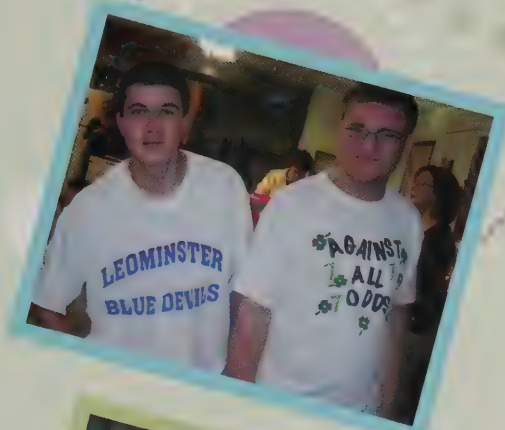

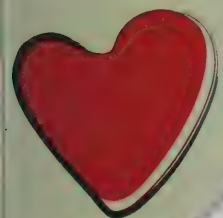

I wish everyone the best of luck and happiness in the future. We are all strong and bright enough to overcome any challenges that are in our way. Go far beyond your imaginations. Let's continue to make our school and community proud of our accomplishments. Together, let's represent to our society as graduates of Leominster High School, the colors of blue and white, a symbol of virtue, loyalty and tradition.

Your Class President,
Hang Nguyen

Vice President Sonny Heng,
President Hang Nguyen, and
Secretary Lauren D'onfro

LHS Class Of

Class

Freshman Year

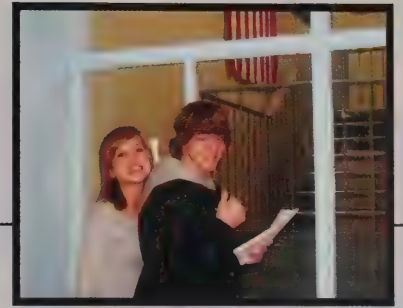

In August of 2005, the class of 2009 entered into Leominster High School as freshmen. It was the beginning of small schools and both the students and faculty were working to adapt to the new changes. There were five different small schools, each being led by a headmaster. The headmaster for school one was Mr. Valatico; for school two was Mrs. Harter; for school three was Mrs. Chesson; and for school four was led by Mrs. Baker. Our deans of school were Mr. Ordway, Mrs. Stillman, Mr. Coughlan, and Mr. Sharky was the dean for CTE. We elected our first class officers; President Hang Nguyen, Vice president Sony Heng, Treasurer Mina Kim, and Secretary Christie Fusco. These individuals put forth much effort to guide us through a great year. Miss Simpson and Mrs. Stillman volunteered to be our class advisors. We happily elected David Arsenault and Eliza Shirazi to represent our class for homecoming. Our Blue Devils beat Fitchburg's Red Raiders at the Thanksgiving game at Crocker! Our freshman year was only the beginning as the class of 09' as we worked to find our place at Leominster High School.

Sophomore Year

The Class of 2009 returned back to Leominster High School in August of 2006 as confident sophomores. We were eager to start our second year with our new principal, Mr. Browne. Our homecoming titles were awarded to Sonny Heng and Katherine Mazzaferro. Our class was led by student President Hang Nguyen, Vice President Sonny Heng, Treasurer Mina Kim and Secretary Christie Fusco. The Blue Devils defeated the Red Raiders 34 to 6 at the Thanksgiving game on our newly renovated, reopened Doyle Field! "Annie Get Your Gun" was the all school musical put on this year. As the final months came to a close, we were ready to return as upper classmen.

History

Junior Year

In August of 2007, the class of 2009 entered into Leominster High School as upper classmen. Small learning communities were newly implemented, which combined our four small schools into two larger learning communities, house white and house blue. House blue consisted of small schools one and two while house white consisted of small schools three and four. Our student council was led by President Hang Nguyen, Vice president Sonny Heng, Treasurer Mina Kim, and our newly elected Secretary Lauren D'onfro. Sonny Heng and Tessa Blood gladly accepted their roles in the homecoming court. Our Blue Devils beat the Red Raiders 19 to 14 at Crocker! The all school play put on by the theater's past scheduled productions was "Harvey and Guys and Dolls." As juniors in the winter rally, we set the standards for wearing our class color, green. Our class should have won but Dubz cheated us out of our deserved winning title and gave it to the senior class. We spent a fun and memorable night at our junior prom which was themed "Bright Lights, Big City." Our parking lots at Leominster High were still jam packed with the soaring gas prices. As the end of the year was approaching, we were ready and excited to assume the role as top-dawg seniors!

Senior Year

Our final year at Leominster High School began in September of 2008. The class of 2009 was ready for a great, memorable last year of high school as we pulled together to prepare for all of the various upcoming events. Many students worked very hard to plan for our senior prom and the rally. The old tradition of decorating the school came back this year. We sadly broke our four year winning streak by losing 20-17 in overtime during our final Thanksgiving game as students in Leominster High School. In 2009 our first African American Democratic President, Barack Obama was elected to lead America. The "go green" movement which supports our environment, the fight against global warming was on the minds of many. We will always remember the ice storm of 2008 which left many powerless for several weeks. The class of 2009 will forever remember the untimely deaths of our beloved friends and faculty. With graduation right around the corner, we will always remember our friends and the memories we have made but we will also start looking forward to all the joy that lies ahead of us.

Jr. Prom

On the night of April 12, 2008 the memorable class of 09' hit the dance floor for a memorable "Bright Lights Big City" themed prom. They danced, laughed, took pictures and ate delicious food. When they were all out of breath and tired they each left with a tall glass to remember this night for years to come.

This is our night....

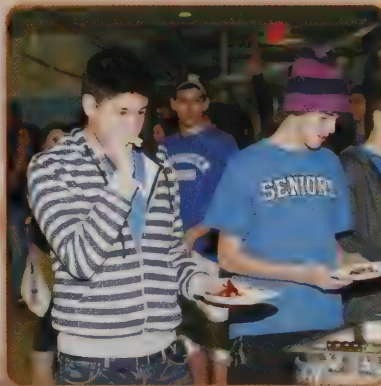

Senior Breakfast

Senior Breakfast

On November 25, 2008 in the cafeteria the class of 2009 ate a delicious breakfast prepared by the students in Culinary arts. As they eagerly awaited the rally, they were entertained by fellow student showing off their dance moves.

Thanksgiving Rally

On Tuesday, November 25th, LHS seniors participated in the most unforgettable rally yet. Hosted in the Auditorium for the first time, fellow student body filed in to pump up their Blue Devils as they prepared to take on the Red Raiders. Rally committee prepared humerous skits to sum up the high school careers of fellow football players and cheerleaders. Coach Myers also won Fan of the Year to add to the excitement. Cheerleaders performed their competition routines and mothers of the senior football players performed their own cheer and dance. The LHS student body and football players left the rally pumped up and ready for what would hopefully be another win against the Red Raiders.

Thanksgiving Game

Let's Go Blue

November 27th is the day the LHS seniors won't forget and the football game that we could not wait to happen. We all went out there and cheered for our football players who did their best to beat our rival team, FHS. The Result wasn't what we expected. LHS lost 17 to 20 in over time. Leominster broke our four year winning streak and is awaiting until next year where we can redeem ourselves.

FACULTY

Thomas Browne
Principal

To the Members of the LHS Class of 2009,

By the time you are reading this message, I am most likely simply one of the many proud parents, teachers, and friends that are undoubtedly offering you fond wishes and cheers for your imminent success. Still, as a member of that delighted chorus, I can guarantee you that I offer to you, in a loud voice a hearty Congratulations!

The annual delivery of the yearbooks to Leominster High School is always a special time of the year. It is an essential ingredient that is combined with Senior Prom, Senior barbeque, and Senior Awards Night to form the sundae that is the final month of your tenure at LHS. Of course, the cherry on top of that sundae is Graduation Day, and considering everything that you have accomplished along the way, the celebration is a just dessert indeed.

As I write this note, however, it is the start of a cold winter punctuated by a historic storm. One that I am sure you will never forget. Still, I promise you that there are so many more historic events to be experienced in your future. Beyond Graduation Day are infinite opportunities for you to make history for your family, profession, country, or mankind. I wish you well in whatever path you take, and look forward to hearing about your future success.

Good Luck and Farewell,

Thomas Browne

VARSITY GIRLS

The 2008 Varsity Field Hockey team was made up of a strong senior class that led them to an outstanding season! The Blue Devils finished up the season with a record of 6 wins 9 losses and 3 ties. Despite all of the injuries throughout the season, the girls made an immense improvement.

The team was led by captains Leah Riley, Sabrina Congram, Lindsay Baron, and Lindsey Albert. The top leading scorer of this year was junior Megan Force with 10 goals and 4 assists. Megan Force and junior Allison Richard were both named all stars of the league. Katie Creed was phenomenal in the goal! She had a total of 224 saves and 4 shutouts.

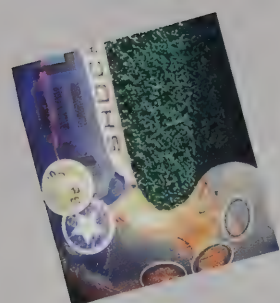

This years most improved player award went to Kristen Richard. Coach Nicholson gave out two coaches Awards to senior Leah Riley and senior Lindsey Richard.

As for next year, it looks promising with a fierce underclassmen line up!

The Captains

The Lady Devils had a somewhat sucessful year despite the fact that they didn't make it into playoffs as they had greatly anticipated. They lost a valuable player to an injury twenty minutes into the season, Jenn Lever (#5). Although this happened she never gave up on her team and showed what a true team mate she was, showing up to games and practices even though she could not play. Jenn won the coaches award. The two other senior captains Vanessa Almeida (#18) and Adriana Robles (#23) lead the team on the field finishing off the season win 5 wins 11 loses and 2 ties. Vanessa Almeida won MVP and League All-Star playing a key role in the victories that the girls had. Adriana Robles grew as a player and as a captain proving she could lead a group of younger girls along with her two other team mates. The Lady Devils are a young and talented team and will be prosperous in the coming years. Gabi Gaudreault and Jill Kirouac will do a good job to lead their team to many victories and take the girls to playoffs.

The Leominster High School Cheerleaders have had two great seasons so far, not only on the field and the court but on the competition mat. The LHS cheerleaders were runners up at the State Championship earning a bid to the National Championship held in March. They have continued their success in the winter competition season, by reclaiming both their Midwatch and Regional titles for 2009! GO BIG BLUE!

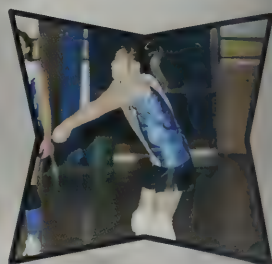

GIRLS VARSITY VOLLEYBALL

The Varsity Girls Volleyball team did an amazing job this year. With great setters, fast diggers, awesome hitters and a great group of defence, the enthusiastic team of strong players played head to head with the league powerhouses including Nashoba Reg., Groton-Dunstable, Shrewsbury, South High, Hudson, Cliton and others. Losing only 4 games they did not give up showing their passion for the sport. With their passion and hard work they were Mid-Wach champions. This is the first time the team has competed in districts under the title of Regional Champions. Good Bye to our seniors Ashlee, Hannah, Kelly, Cyndl, Mina, Kathy, Hang and Tiffany, they will be truly missed. The Lady Blue Devils ended the season with a record of 15-6.

VARSITY ICE HOCKEY

The '08-'09 Blue Devil ice hockey season was filled with many ups and downs. The Devils took a step forward compared to last year's season. Led by captains Chris Charpentier and Josh Maillet, the Devils pushed for as many wins possible, ending up with a 6-13-1 record. With Josh Maillet taking the puck in as a great forward, sophomore Keith Barnaby was able to lead the team with many points, making him the '08-'09 MVP. Alberto Fiore and Chris Charpentier showed off great defensive skills keeping the puck out of the Blue Devil zone. The Devils coped with many suspensions and injuries throughout their season but still managed to get a few wins on the board. Coach's award was given to seniors Josh Maillet and Chris Charpentier. The most improved award goes to freshman Cody Swift and the seventh man award was given to senior Alberto Fiore. With many freshmen and sophomores on the team, upcoming seasons are looking up with a lot of young talent on the team!

The wrestling team had its ups and downs this year. The team was very young with many first year and second year wrestlers competing for the varsity team. Although there were not as many wins as hoped for, a solid foundation has begun and the future is looking bright for the team. Many of this year's athletes will be returning to the team next season including 1st year wrestler, team captain, and sectional place winner Ryan Demar. Demar had a great rookie season placing 5th at sectionals in the 185 weight class and should be one of the best in the state next year. Bo Hume and Malcolm Hinds are the two leaving seniors who will be greatly missed next year. Bo Hume ended his senior campaign on a high note placing 1st at sectionals for the second year straight and upset 1st seeded Joe Kelly from St. Johns Prep for a 6th place finish. Coach Algarin is excited for next season and hopes for an even bigger team which has grown from 4 wrestlers to 19 wrestlers in just two seasons.

This was a great season for the swim team. We were again in a co-op with Monty Tech. We had twenty swimmers finish the season, led by senior Captain Tyler Cucchi, who approached each meet with a positive spirit. Highlights of the season included the 200 Freestyle Relay team of Alyssa Farnsworth, Laura Fratkin, Ellen Goldman and Emily Quinn qualifying for Sectional Championships. Alyssa Farnsworth also qualified for Sectionals in a number of events. She also qualified for the State Championship in the 50 Freestyle. At our Mid-Wach League Championship we had a lot of great swims and newcomers to the team like Vin Bianco, Jon Day and Chen Lee dropped huge amounts of time in their events. Our record was 0-8, but we had a great building year. We all look forward to improving all around next year. Great job team! - [Coach Gary]

The 2009 Leominster High School Yearbook Staff consists of 27 students who worked together to create an exciting and accurate representation of Leominster High School. The yearbook is a student published book. The students on the yearbook staff worked hard to meet deadlines on photographs and write-ups, all the while forming a close unit of friends. The 2009 Leominster High School yearbook staff was led by Ms. Wisuri as the Advisor and Business Advisor.

Sub-Editors

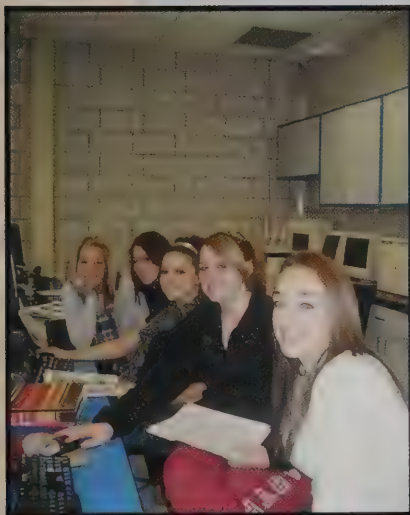

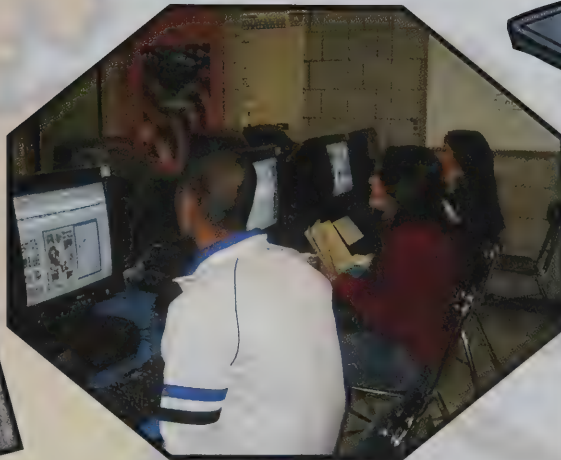

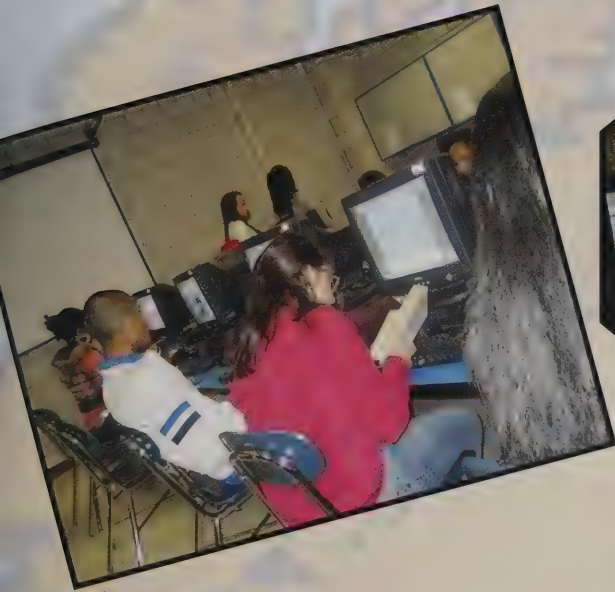

Pat Bohenko, Stephanie Jameson, Paige-Ashlee Bennet, and Tierra Wright.

YEARBOOK

G.I.V.E.

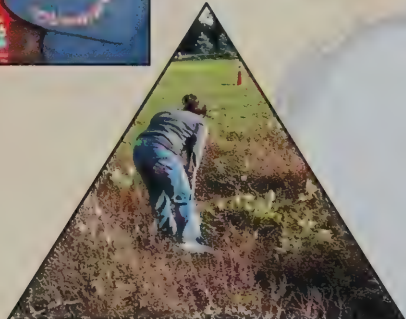

G.I.V.E. stands for Getting Involved in Volunteer Experiences. Students that are member of G.I.V.E. participate in projects that benefit the Leominster High School community and the city of Leominster. G.I.V.E. members participate in a warm clothing drive, providing food to people in need, Treats for the Troops, school improvement projects, and festivals at Sholan Farms.

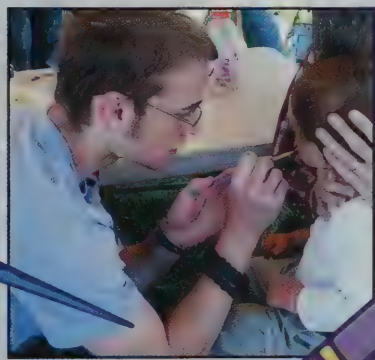

Ruth's Harvest Food Pantry

Sholans Farm Scarecrow Festival!

Math Team

The Math Team consists of several students, headed by Ms. Simpson, competing in numerous math competitions each year to gain experience. Each student competes in three of the math rounds in addition to the team round. This year was the fourth year Leominster had a Math Team and it's only made the students and team stronger.

Newspaper

(The Devil's Advocate)

The LHS School Newspaper, The Devil's Advocate is published several times per year. It's goal is to provide a forum for ideas and viewpoints of interests and opinions in school. The students involved in the Journalism course join the newspaper staff. Work from the entire student body is accepted for publication. Mr. Oxford oversees this student-run publication.

Book Club

This is the first full year of the LHS Book Club's existence. It was started late last year by a number of students, led by then-sophomore Angelina Spagnoli, who is the club's current leader. Book Club meets every other Thursday in C231. Book Club members select books to read and then meet to discuss them.

Book discussions cover a wide range of questions from basic facts to the author's style, to deeper meanings and implications of the story to our own lives. In a world that questions whether or not books will even exist in the future generations, it is dynamic and exciting to see young people who love to read so much.

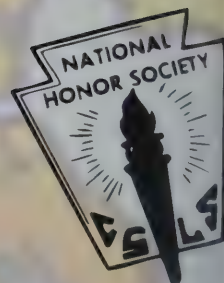

CTE National Honors

The mission of the National Technical Honor Society is to honor student achievement and leadership, promote educational excellence, and enhance career opportunities for its members.

Students must excel in their academic classes, as well as their chosen program of study in the Center for Technical Education. This year, members have put in multiple hours of community service for various organizations in the city and will also participate in a year-end service project to better Leominster High School.

National Honor Society

The National Honor Society is founded on the principles of scholarship, leadership, character, and service. Their service projects benefit both the school and local community, such as the Red Cross Blood Drives and after school tutoring sessions. All members are required to complete individual service projects that encompass the four principles. All NHS members positively influence the local community by volunteering their time.

Athletic Leadership

The Athletic Leadership is made up of captains representing the different sports teams offered at LHS.

Their purpose is to recommend and advise the administration and the public of the many sports related programs and issues that may arise during the year here at LHS.

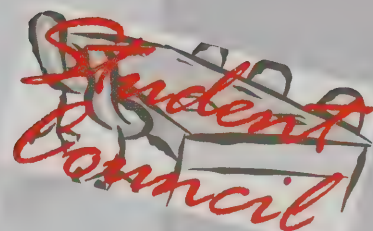

Renaissance

The Renaissance Club is a combined effort between LHS and the local business community to reward students for their grades, conduct, and citizenship. The club is open to all students who have a desire to strengthen the ties between the high school and local businesses. The primary focus of the clubs is to organize and run three assemblies held during the course of the year.

Student Council

Student Council is a very influential club at Leominster High School. They are in charge of running school events that promote school spirit, such as Winter Carnival, the annual pep rally, and Meet for a Treat. At the same time, the council makes contributions to the community through the Canned food drive, Toys for Tots, and fundraisers for disasters that may occur. Student Council also promotes leadership skills in their members through conferences such as MASC and CDMASC in order to help elected members better represent their class and school

We The People

The We the People Club is a new club at LHS where the goal is to promote civic competence and responsibility among students. The club enhances students understanding of the institutions of American constitutional democracy and the contemporary relevance of the Constitution and Bill of Rights. At the end of the year, members participate in a simulated congressional hearing at the Social Studies Exhibition.

Ed Talent Search

The primary goal of the Education Talent Search (ETS) grant is to assist participants to successfully complete middle and high school and enroll in postsecondary education. Middle and high school students from four local districts continue to receive support from staff at Mount Wachusett Community College.

Mole Society

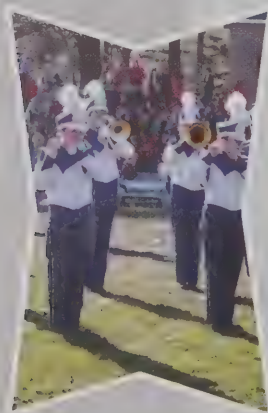

Every year the mole society takes pride in their experiments. They are advised by Ms. Jablonski, who has dedicated her life to science, especially chemistry. They enjoy conducting various experiments with electricity and fire. They are in charge of conducting Mole Day and Faraday lectures. These are some examples of what the Mole Society does.

Marching Band

The marching band instills in each of its members a set of goals and values, to which each student abides. The band performs in parades and services throughout the city, to show their support for the community. They also provide entertainment for halftime at football games, as well as music to get the crowd excited. In addition to these events, the band has been attending MICCA Marching Band competitions for the past 5 years; each year an improvement from the one previous.

Jazz Band

The Leominster High School Jazz Band is an elite group of student musicians, who represent a high level of musicianship and performance. They perform at formal functions, as well as in community events. A select group of jazz band students have formed a combo group this year, to perform in events which do not require the full band, where they play a larger style repertoire. In addition, this year the Jazz band performed in a competition at Berklee School of Music, where they performed exceptionally.

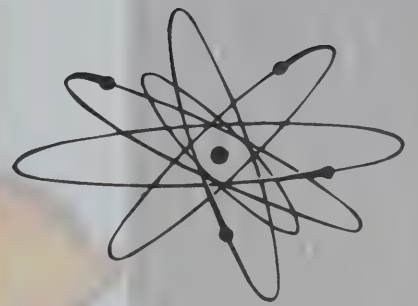

Skills U.S.A. "VICA"

"Skills USA is a national organization for teachers, high school and college students who are preparing for careers in technical, skilled and service occupations, including health occupations. Skills USA was formerly known as VICA (The Vocational Industrial Clubs of America).

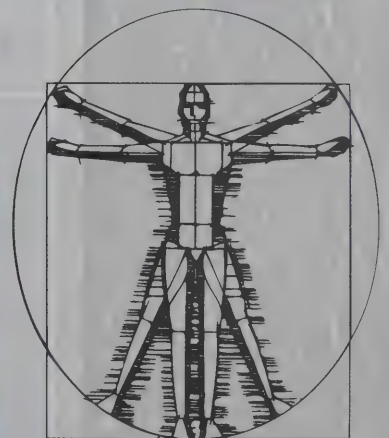

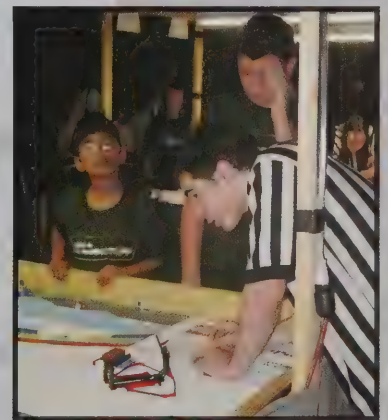

Robotics

"DevilsDawgs" robotics team will be competing in it's 9th season this year. The team will be competing at Boston University in the New England Regional. Last year the team gained top honors winning the Engineering Inspiration Awards. They will also be competing in the southern New England Regional in Hartford Connecticut. Both of these events will take place in March. - Mr. Mac Namara [CTE]

When we first met you, you were such a cute little kid
When you were shy behind your mother you hid
We often had fun with trips and adventures
From vacations at Hampton to Disney on ice treasures
Trips to the State House lunches on the Common
Along the way there were ups and downs
But we got through them together in between our frowns
Through all the years I've watched you grow
I've thought to myself how much I love you so
Congratulations on your graduation year
and I want you to know I will always be here

Love Always,
Auntie Jen

Changing our World

▶ Environmentally conscious consumers use items such as reusable cloth shopping bags and Klean Kanteen water bottles that don't leak harmful chemicals like BPA.

▶ Public bicycle sharing systems, already popular in Europe, roll into American cities like Washington, D.C., to help fight traffic congestion and reduce pollution.

▶ Tight money and high gas prices push auto manufacturers to investigate super fuel-efficient and electric cars. The Chevrolet Volt is an early contender and the tiny "Smart" car is already on American roads.
